WEATHER PROBABILITIES.—For this section, partly cloudy, with local showers late tonight and Wednesday; light to fresh easterly winds.

CONFEDERATE VETERANS.—R. E. Lee Camp Confederate Veterans held their regular monthly meeting at "Colours," the residence of Col. W. A. Smoot, last night with Commander J. C. Milburn presiding. There was a large attendance of members and considerable business was transacted. One new member was elected. There being a vacancy in the office of chaplain, the position was filled by the election of Comrade R. V. F. J. Brooke. The committees on the Memorial Day celebration made their reports and were discharged. The thanks of the camp were extended to Hon. P. J. Oley for the admirable address on that occasion; also to Mr. Joseph L. Rodgers and choir for the excellent music rendered, and to Messrs. Hinken & Son, Smoot & Co., R. L. Myers & Co., and Mr. Jno. C. Campbell for favors on that day. After a journey from the Seventeenth Virginia Chapter, participated in the lawn party given in celebration of the anniversary of the birthday of President Davis. The beautiful garden of Colross was bright and gay in honor of the occasion. Lights shone among the trees and fair women and brave men spent one of the most pleasant evenings that has ever been enjoyed in Alexandria. There was music, both vocal and instrumental, recitations, &c., and during the evening delicious refreshments were served. The occasion was altogether a most delightful one.

FIGHT IN A LODGE ROOM.—The harmony and peace of a colored Masonic lodge was early disturbed last night, the brethren not being able, it seems, to "dwell together in unity" after an exciting conflict as to who should hold the office of Junior Warden. It appears that two members of the craft—George Preston and Wm. H. Whiting—were candidates for the honor of holding the gavel in the South and two factions had been formed. Preston was groomed and championed by Magnus L. Robinson and a few others, while Whiting had his second, bottle holders, &c. Whiting emerged from the contest triumphant, and the announcement of his success precipitated a row, during which sacred obligations were ignored and a head was struck wherever seen. Whiting was roughly handled in the melee by Preston and two of his sons, during which lesser lights in the shape of huge candlesticks toppled and dusty members were placed in "improper" positions by being knocked backward over the altar with their brogans turned toward the ceiling. The lodge failed to adjourn in ancient peace and harmony and the row was renewed after the bellengers reached the street. Many went away dissatisfied and roundly denounced the vile and impious wretches who are guilty of dealing the blows to so great and good a man as Junior Warden Henry Whiting.

EXCURSION.—The excursion given by the various societies of St. Mary's Church to River View yesterday was greatly enjoyed by the large number who participated. A much to be regretted disturbance on the return boat last night was the only thing that marred the pleasure of the occasion. It appears that a youth had been put out of the barroom on the grounds by one of the policemen. After the steamer started on the last return trip it is said that some of the friends of the youth started a row to get the policeman to interfere, and when he did so he was attacked, and a number of men took part in a fight which lasted for some time, during which several of the participants were struck with beer bottles, slugs, &c. No one, however, was seriously hurt.

BASEBALL.—The Alexandria baseball team played its second game of the league series at National Park, Washington, yesterday evening, against the Young Men's Christian Association, and was defeated by the score of 6 to 1. Edwards pitched a splendid game for the Alexandrians, striking out ten of the Y. M. C. A. players and allowing but six hits, and with timely hitting on the part of the Alexandrians the score would have been entirely different. The Alexandrians showed a lack of team work, owing to the fact that some of the players are new material, and have not had time to practice together. There will be no game here on Thursday as heretofore reported.

ELOQUENT SERMONS.—Rev. Berryman Green, rector of Christ Protestant Episcopal Church of Alexandria, celebrated the holy communion and delivered an eloquent sermon in old Christ Church on Sunday morning, in the absence of the rector, Rev. Nelson P. Dame, who is in Europe. Mr. Green is one of the most scholarly ministers in the diocese of Virginia, and his sermon Sunday morning was a gem of oratory. At 7 o'clock in the evening he read Evening Prayer and delivered an excellent lecture. (Winchester News.)

MISS STRICKLAND last evening delivered her lecture "How to keep young" to a most appreciative audience. She is an interesting and graceful speaker, and the youth, health, grace and beauty she promises to those who will attend her course of lectures should secure her a large class. Miss Strickland is staying at 818 King street, where her lectures will be given.

RELEASED ON BAIL.—Bowden Howe, who for the past year had been confined in jail on the charge of horse stealing, was today upon his application to Judge Norton, of the Corporation Court, released on bail on his own recognizance in the sum of \$500. Rowe, whose imprisonment has been an exemplary prisoner and has rendered valuable assistance at the jail on several occasions.

Would Not Suffer So Again for Fifty Times its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. WILSON, Liverman, Burgetstown, Washington Co., Pa. This remedy is for sale by all druggists.

The Chinese ask "how is your liver?" instead of "how do you do?" for when the liver is active the health is good. DeWitt's Little Early Risers are famous little pills for the liver and bowels.

OFFICIAL.

THE OWNERS OF DOGS.

Mayor's Office. Alexandria, Va., June 1, 1900.

All persons owning or intending to keep any animal of the Dog or Canine species must come forward on or before

JUNE 7 NEXT, 1900,

and take out license for the same from the Auditor. After the 12th of June all persons owning or harboring dogs without the required license will be fined (as the laws on the subject require) \$5 for every dog so owned or harbored.

Complaint has been frequently made that many persons fail to take out their licenses and that others pay on one or two dogs when owning and harboring more, or who send such dogs away during the summer months and bring them back in the fall.

My attention has been called to this evasion of the law, and I shall require the policeman to report all such cases, and fines will be imposed upon those who fail to take out licenses.

The police officers will be required to report all violations of this law.

Our Regular Semi-annual Sale of Muslin Underwear Is in Progress.

Twice a year we have these special sales. And at these times we give you the benefit of all concessions we obtain in price. We buy the Muslins and Trimmings when the market is at its lowest—and employ the best underwear makers at a

In spite of the bargain prices the garments are all regularly made, full in proportions, neatly sewed, elaborately trimmed and of the latest styles.

The assortment comprises Gowns, Corset Covers, Skirts, Drawers and Chemise, and is divided into six lots.
